

The KraftMaid Difference

Cabinetry design made easy.

Built for a lifetime.

Every style. Any budget.

Always by your side.

Projects made easy.

Most preferred by homeowners.

A legacy of expertise.

Made for your *next* project.

Exceptional cabinet construction. Budget flexibility. A seamless experience from selection to installation. These are just a few reasons that KraftMaid® Cabinetry is the best choice to create beautiful spaces that last a lifetime.

Built for a lifetime.

A premier level of care and quality means our cabinets will stand the test of time.

Every cabinet comes standard with features that ensure durability, including KraftMaid DuraKraft™ Plus our proprietary system for a beautiful finish and wipe-to-clean practicality.

78 Quality Points

Building cabinets you can love for a lifetime means obsessing over everything – there are 78 unique quality points that go into making KraftMaid Cabinetry.

KraftMaid®
**LIFETIME
LIMITED
WARRANTY**

For long-lasting confidence, KraftMaid Cabinetry is backed by a Lifetime Limited Warranty.

Every Style. Every Budget.

An endless variety of styles, finishes and innovative features deliver the life you want to live in your new kitchen.

Between all KraftMaid product lines, we offer a wide range of options within our brand for design and budget flexibility.

Design options and innovative storage solutions deliver a custom look at an attractive price point.

Always by your side.

We provide the training, education and support you need to be successful.

Expert help is always available through your Sales Representative and our responsive Customer Care team.

Stay on the forefront of kitchen design with our knowledge on homeowner trends, design forecasts and more.

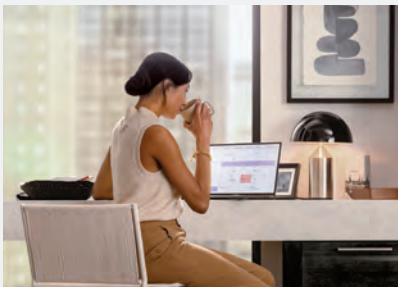

Our new products, tools and processes are informed by designer feedback to make KraftMaid easy to sell.

Projects made easy.

Don't sweat the small stuff. We make the design and management process simple from start to finish.

From clear nomenclature and easy-to-use modifications to an intuitive 2020 catalog and spec book, KraftMaid is easy to design with.

Our online portal provides everything you need, from design resources to order tracking, all in one convenient location.

Most preferred by homeowners.

When homeowners choose, they choose KraftMaid.

KraftMaid is installed in over 100,000 homes a year, making it the most selected cabinetry brand in America.

A legacy of expertise.

With 50+ years of experience, you can count on KraftMaid for your kitchen transformation.

Our skilled cabinetmakers have spent decades honing their craft.

We bring our expertise to every project with planning tools and resources that make every kitchen remodel more seamless, efficient, and intuitive.
